

## English 9 Creative Writing

Choose ONE of the following story starters and write 2-3 pages double spaced. Use your best possible grammar and punctuation, as always! Quality over quantity, please. Creativity is always appreciated.

*It was there and then it was gone! Why would a rabbit be on my bathroom floor?*

or

*“What have you done?” Ms. Workman screeched, as all eyes turned to me and the lifeless body on the floor of the classroom.*

or

*Peeking through the window, her/his surprise turned to horror.* (Don't use her/his. Choose one, lol. This shouldn't need to be mentioned but it's like the warning labels on things. They only appear when someone has actually DONE the silly thing.)

Please use PEN or type your work. This assignment is due on
